Circles™ is a research-based strategy that transforms communities by building relationships that inspire and equip people to end poverty.

With 11.3 percent of Kansans living in poverty,¹ the need for an effective solution is great. Circles™ offers you the opportunity to join one (or more) of our teams to end poverty one family at a time.

Peace Connections is a non-profit organization with a 25-year history whose mission is to partner with others to build resources within families and communities, teach and practice non-violence, and nurture personal and spiritual well-being. Thriving communities sustained by social justice and compassion is our vision. Peace Connections is the recipient of the 2008 Award for Collaborative Excellence from the Kansas Association of Community Action Agencies (KACAP) and the recipient of the 2009 Friends of Education Award in the Partner Activity category from the South Central Kansas School Public Relations Association.
